"He presented a huge cross range of music played with a physical virtuosity that it's a pleasure to watch as well as listen to. Partington, for all his modesty, is a genius and I would encourage you to catch him while you can. The audience were enchanted by this performance and by him too."

Eric Page, G-Scene  
Magazine

*Light refreshments & soft drinks available.  
Or bring your own.*

Michael Partington began playing guitar age 6 growing up in Wales. Now Artist in Residence and director of the guitar program at the University of Washington in Seattle, Michael plays to audiences in North America, Europe, Russia and Scandinavia as a soloist and with ensembles. He regularly performs live on radio in the US and UK.
